

Hamas's War of Numbers: A Strategy of Exaggeration and Dissimulation

written by Prof. Kobi Michael | 21.01.2024

Hamas has perfected a psychological warfare strategy involving exaggeration and dissimulation regarding "victims." The truth is that this war has a low ratio of civilian casualties in comparison to other wars in recent decades, and the IDF is successfully crushing Hamas with minimal harm to Gaza's civilian population.

An upbeat and believing younger generation

written by David M. Weinberg | 21.01.2024

Israel's future is guaranteed by gutsy and patriotic teens, soldiers, and students.

Intensify the military pressure on Hamas

written by Meir Ben Shabbat | 21.01.2024

Israel's war goals must be achieved more swiftly through overwhelming force, and the Israeli public must stand firm in support of the IDF.

Pessimism on Steroids

written by Col. (res.) Prof. Gabi Siboni | 21.01.2024

The “Downer Movement” is depressing Israel with defeatism, while Israel’s youth is energized with faith in the future.

Israel mustn’t remain silent in face of Turkey’s support of Hamas

written by Noa Lazimi | 21.01.2024

Israel can no longer remain silent in the face of Turkey’s extensive support of Hamas and its central role in building the organization’s financial empire.

Revolution of Consciousness: Sharing Israel’s narrative with the Arab, Muslim worlds

written by Ruth Wasserman Lande | 21.01.2024

The Muslim and Arab world is not exposed to almost any information that puts it at odds with the anti-Israeli messaging to which it is accustomed.

Restoring the Zionist Iron Wall

The bold proposals of General Gershon Hacoheh for national vision and renewed ideological-theological defense posture.

Washington must let Israel get the job done in Gaza

written by Meir Ben Shabbat | 21.01.2024

Israel rejects proposals that leave Hamas in power, fail to demilitarize Gaza, and fail to pressure Hamas into releasing hostages.

Don't squander Israel's sacrifice

written by Meir Ben Shabbat | 21.01.2024

Although Hamas has dug its claws deep into all aspects of life and layers of Gaza, Israel must win decisively and prevent rearmament of the terrorist organization.

Hamas must be dethroned

written by Meir Ben Shabbat | 21.01.2024

Victory means full demilitarization and control of the Gaza-Egypt border.
