Prof. Kobi Michael: victory in Gaza means dismantling Hamas' major military and governmental centers of gravity in a way that will prevent from Hams remaining an effective military and governmental entity in the Gaza Strip. In each day we are making additional steps towards the victory. After accomplishing the mission in Khan Yunis area,, and it will be sooner than later, we will remain with last challenge which is Rafah area and mainly Philadelphy corridor that must be blocked in order to prevent weapon smuggling. Israel and Egypt should reach to an understanding in this regard and the US will have a pivot role in facilitating it. The Gazan population must be convinced that Hamas will not remain after the war, otherwise it will continue supporting Hamas and helping it to recover.
